

World Book Student for iPads and Tablets: My Research

World Book Student's My Research feature gives students individual accounts to save their research.

(1) Go to *World Book Student*

> Tap on **My Research**.

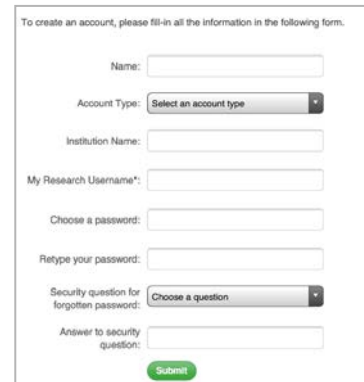

(2)

> Either login or tap on **Create an Account** to create your own account.

> Fill in all the information in the form.

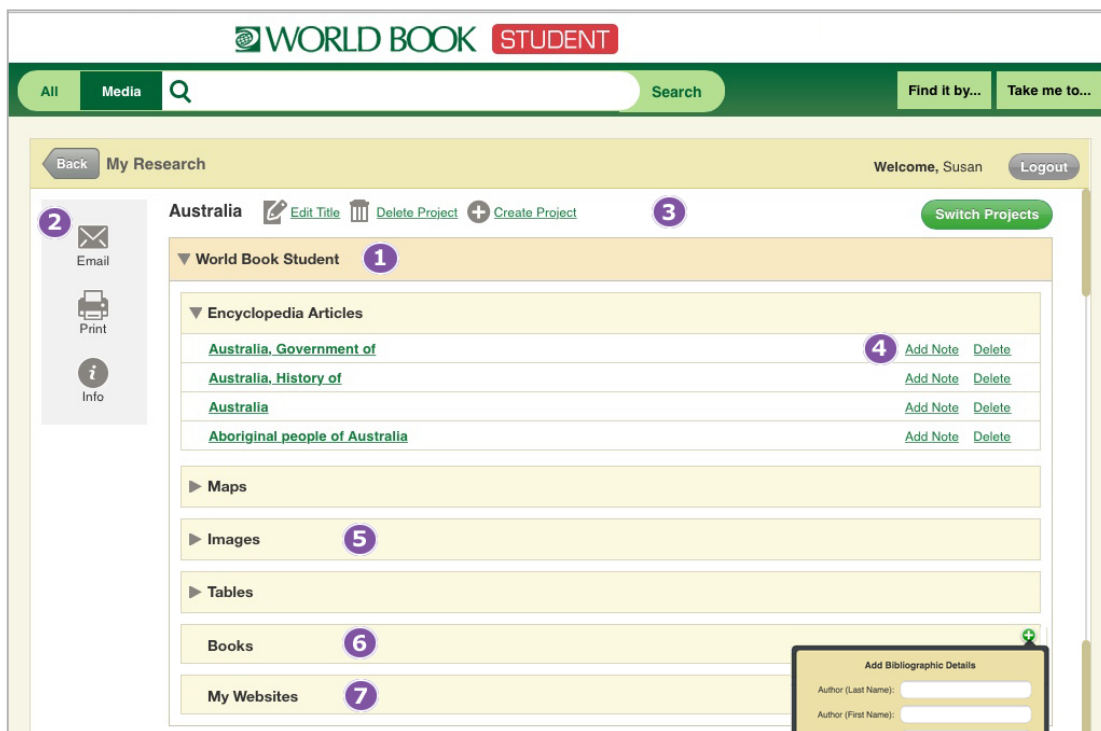

> Tap **Submit**

Hint: Using your email address as your username will give you the option to have your password emailed to you if you have forgotten it. You also have the option to provide a username that is 6-10 characters long.

(3) Hints: Tap on the arrow to expand each section.

Tap  to select other projects in your **My Research** account.

1. World Book articles, images, citations, and other research results can be saved to your **My Research** page.

2. The **Tools box** on the left of the screen includes options to email and print content.

3. **Create different folders** within your My Research account to save content by topic or project.

Tap on the **Switch Projects** button to select folders in the drop-down menu.

4. You can delete entries, **add a note** to each content piece – a reminder, a detail to follow up on later, or other information to save for later reference.

5. **Images** from World Book can be saved to your My Research page.

6. You can enter **bibliographic information** about books you've found in your research.

7. You can add **Websites** for sites you've found in your research.

Content saved in World Book Student from the desktop version is also accessible through Student iPad or tablet "My Research".
