

Trek's Travels –

Talking about movement

1. Do you remember what Trek has to do, in order to fly?

2. Can you flap your arms like Trek?

3. Can people fly?

4. How does a kangaroo move?

5. Can you leap like a kangaroo?

6. How does a koala move?

7. Can you climb like a koala?

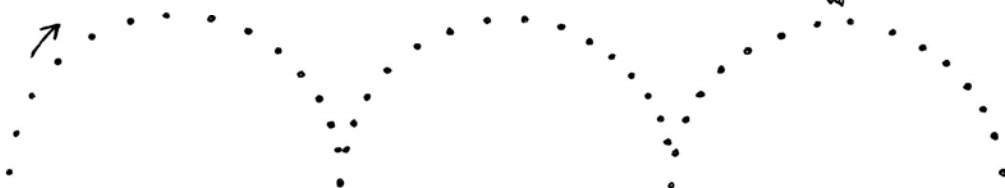

8. How does a kookaburra move?

9. Can you twist and turn like a kookaburra?

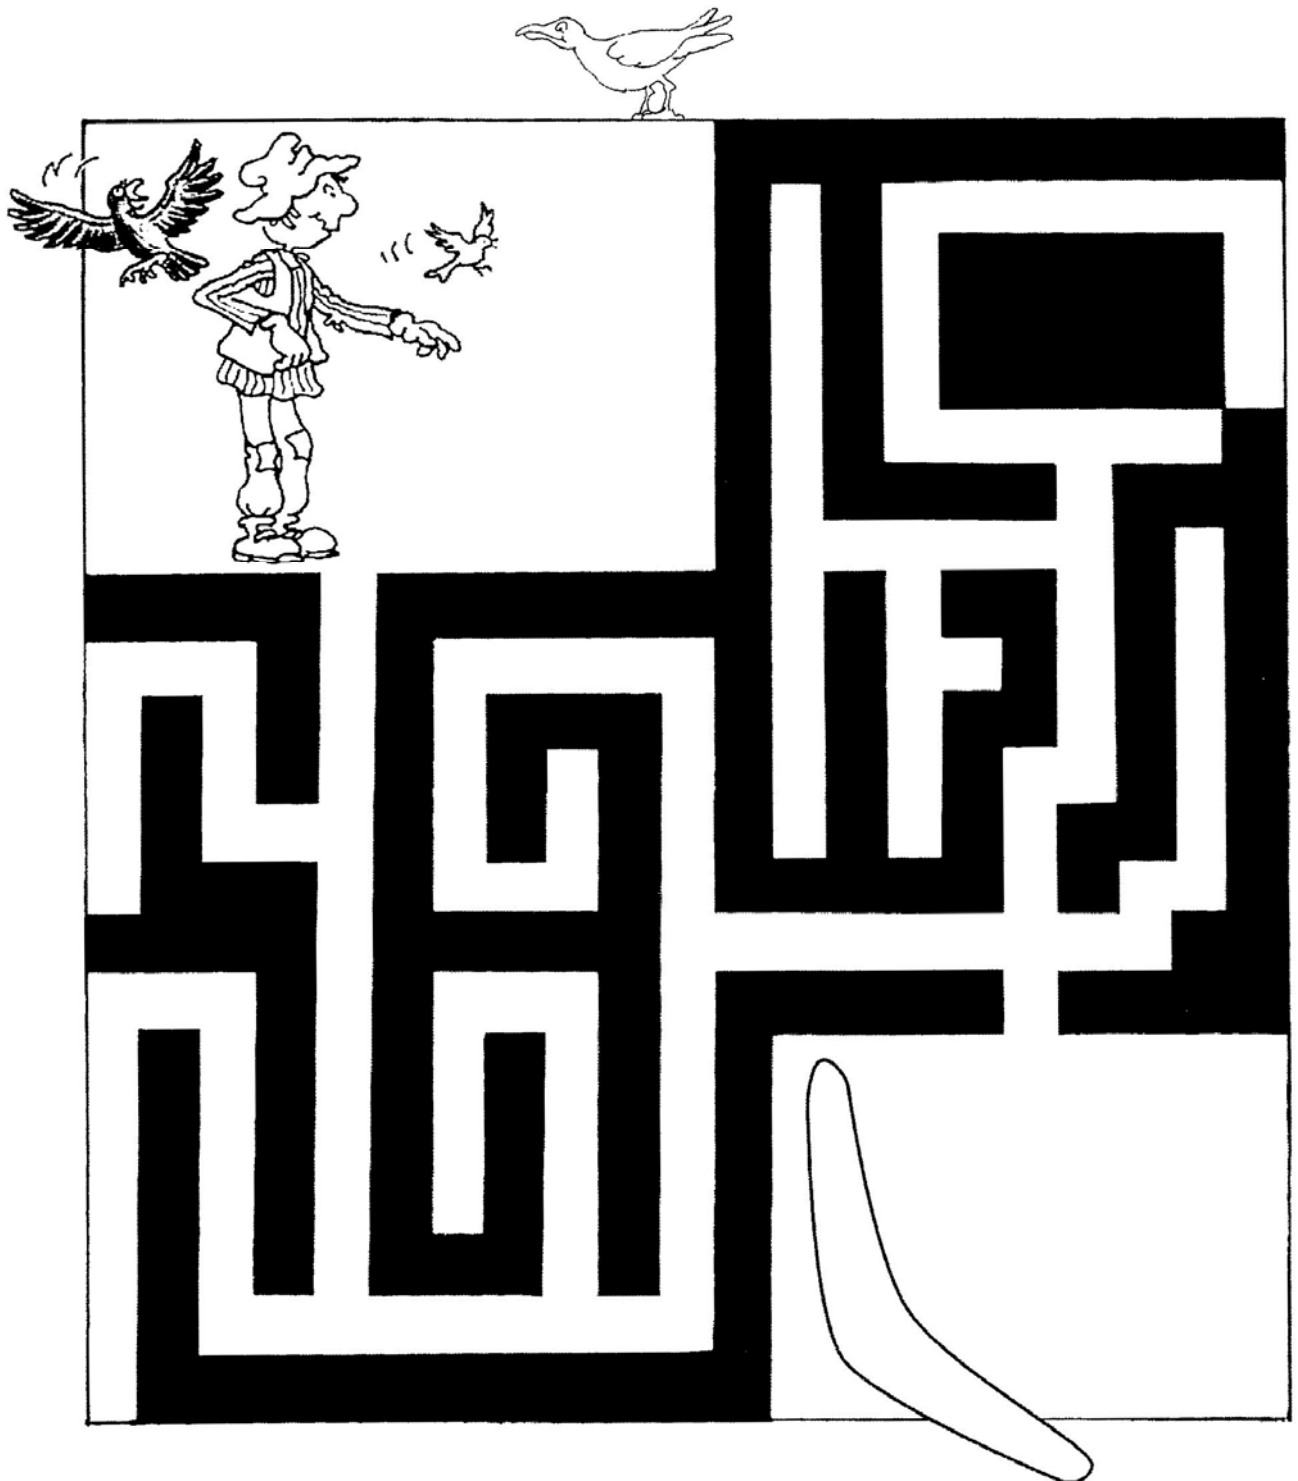

10. Which animal can gallop?

Join the dots.

ACTIVITY –

Draw a line to help Trek find the boomerang.

Aim: to aid an understanding of direction.

Trek's World Travels
Where in the world does Trek learn about
moving around?
Australia
