

Trek's Travels –

Talking about taste

1. What food does Crow like to eat?

2. What food does Seagull like to eat?

3. What food does Wagtail like to eat?

4. Would you like to eat any of those foods?

5. Why do you think Trek didn't want to eat them?

6. What food did Trek enjoy?

Talking about food

1. Have you ever eaten blackberries, like Wagtail?

2. Did you like the taste?

3. Have you ever eaten honey, like the black bear?

4. Was it sweet or bitter?

5. Have you ever eaten nuts, like the chipmunk?

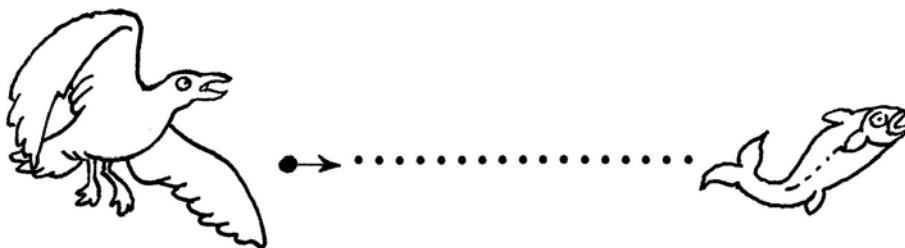

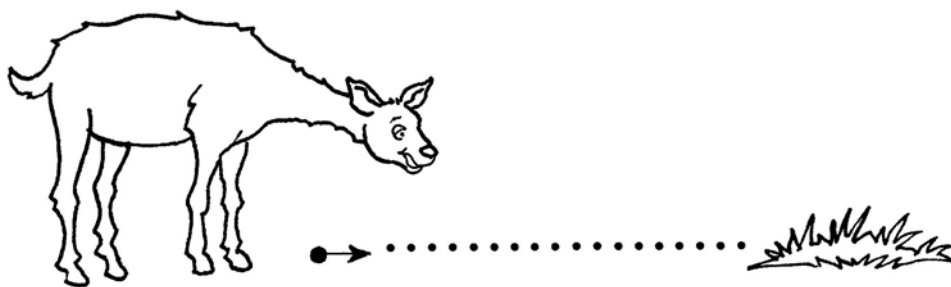

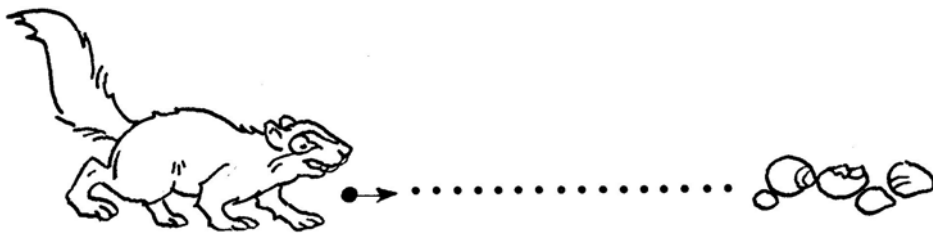

6. What do we do to nuts before we can eat them?

7. We can't eat everything that other animals eat. Can you make a list?

8. What is your favourite food?

ACTIVITY –

Draw a line along the dots to show what each animal eats.

Aim: to practice pencil control.

ACTIVITY –

Join the dots and colour.

Aim: to practice pencil control and count to five.

Trek's World Travels
Where in the world does Trek learn about
taste and smell?

Canada
