---	---

Content saved in World Book Advanced from the desktop version are also accessible through the iPad or tablet versions.

TIP: To go back to the **ADVANCED** home page click on 

- **Search** – You can search by keywords or use the Advanced Search.

> Type **William Shakespeare** in the search box and tap **Search** button or **Search** on the keyboard.

> Tap on  next to the article **Shakespeare, William** to save the article to your **My Research** account.

> In the **Save My Research** box tap the drop-down arrow and tap **William Shakespeare** project.

ENCYCLOPEDIA ARTICLE:

> Tap on **Shakespeare, William** encyclopedia article.

Explore the following tabs to help you navigate an encyclopedia article:

 **ARTICLE CONTENTS** drop down menu takes you to each section of the article.

> Tap on **Shakespeare's plays**

Scroll down to find  **Shakespeare's plays** table listing the plays alphabetically with a link to plays.

 The **Tools** box drop down menu includes options to print, email, and save the article or as a PDF. You can also view citations, translate the text, highlight a search term, adjust text size, and view in sections or a single page. The default article view is the single page view; click the "Section view" link to view the article by section.

 **Images, Videos, and Audio** tab includes photos and illustrations, maps, videos and sounds.

 The **Related Information** tab lists content related to the article, including more encyclopedia articles, primary sources, ebooks, books, Back in Time articles, Special Reports, websites, magazine articles, content standards, and questions.

 Takes you back to the top of the article.

Research & Resources:

Quick and easy navigation using Research & Resources from home page or Take me to... throughout the site.

Atlas – maps of the world, continents, countries, states and provinces, and cities.

Behind the Headlines – includes current events and quizzes.

Citation Builder – create bibliographies for your research quickly.

Compare Places – locate statistics quickly and easily.

Dictionary – find the meaning of words easily and quickly.

Double click any word in any articles to find the meaning.

Government Websites – external websites specially selected by World Book Editors.

My Research – takes you directly to your account if you are logged in.

Pathfinders – allows you to access collections of resources guides. You can create your own unique collections and share them, just within your account or with all World Book users.

Resource Guides – these guides contain a list of primary source documents, online books, encyclopedia articles, and multimedia, on a variety of curriculum topics.

Teaching with Documents – gives you access to lesson plans focusing on one or more primary source images.

Timelines – hundreds of World Book Timelines with the options to add an event and to create your own timeline from scratch.

Today in History – showcases important persons or events associated with that date.

What's New – highlights newest articles and images in Advanced.

World Newspapers – search for newspapers locally and from around the world.

World Resources – takes you to Interactive Maps, Atlas and Compare Places.

TIMELINES:

TIP: You must be logged in to your My Research account before building and saving a timeline.

> Go to **Timelines** from the **Research & Resources** drop down menu on the home page. In the search box type in **Shakespeare** – select **William Shakespeare** from the predictive search results.

Click on the  **Save** button. Under **Save to My Research** select **William Shakespeare** project.

There is also an option to **Save to My Timelines** – this will save the timeline within **WORLD BOOK TIMELINES**.

TIP: To return to **World Book Advanced** home page when you are in **TIMELINES**, click on **World Book Products** button located on the bottom toolbar and select **Advanced**.
