# Ship

Ships are giant boats. Many ships cross the big \_\_\_\_\_ from one side of the world to the other. \_\_\_\_\_, like the one in the big picture, carry people on \_\_\_\_\_ journeys. One end opens up to let people \_\_\_\_\_ on board.

On the \_\_\_\_\_ you can sit on seats and chat.

\_\_\_\_\_ puffs out of the smokestack.

From inside, you can look out of the \_\_\_\_\_.

The \_\_\_\_\_ is in charge of the ferry and steers it out of the dock.

People park their \_\_\_\_\_ on the car deck.

People wait at the \_\_\_\_\_ before driving onto the ferry.
